Hi Joe,

I was able to reach the other Joe via email. He said that he did not object to the return of passport. If you file a motion for an order you can say that the government does not object.

Best,
Judy

Joe/Joseph?

I just sent Joe an email to see if he gets back to me with an answer in the next hour or so. I have to leave early today, but if I don't hear from Joe today please feel free to send me a reminder email and I will send your request to Sarah to see if Joe is away.

Thanks,
Judy
